

RHYTHM PHARMACEUTICALS, INC.
AUDIT COMMITTEE CHARTER

Introduction

This Charter governs the operations of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Rhythm Pharmaceuticals, Inc. (the “Company”). The purpose of the Committee is to assist the Board in overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company, its compliance with legal and regulatory requirements, the performance of its internal audit function, if any, and the selection, appointment, qualifications, performance and independence of the Company’s registered public accounting firm (also referred to as the “independent auditor”). At least annually, the Committee will review and reassess the adequacy of this Charter and recommend any proposed changes to the Board for its approval. The Board will have sole authority to amend this Charter, which it will make available on its website at *www.rhythmtx.com*.

Membership of Committee

Except as otherwise permitted by the applicable Nasdaq rules, the Committee will be composed of at least three (3) directors, each of whom is independent within the meaning of Securities and Exchange Commission (“SEC”) rules under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and of The Nasdaq Stock Market LLC (“Nasdaq”), at such time as the Company is subject to these requirements.

All Committee members must be able to read and understand fundamental financial statements and be financially literate under the standards of Nasdaq. At least one (1) member will be an “audit committee financial expert,” as such term is defined by applicable SEC rules.

To promote independence and to otherwise avoid any potential conflicts of interest, members of the Committee may not (i) accept any consulting, advisory or other compensatory fees from the Company, other than fees for Board or Board committee service, (ii) be an affiliated person of the Company, or (iii) have participated in the preparation of the Company’s or any current subsidiary’s financial statements during the three (3) years prior to such person’s appointment to the Committee.

The Committee will be appointed by the Board, upon recommendation of the Governance and Nominating Committee of the Board, if one exists. Unless a Chairperson of the Committee is designated by the Board, the Committee may designate a Chairperson by majority vote of the full Committee membership. Committee members and the Chairperson will serve until their successors are duly appointed and qualified or until their earlier removal by the Board at any time. Committee members may be removed from the Committee, with or without cause, by the Board.

Committee Meetings

The Committee will meet as often as it determines, but at least once per quarter. The Committee must meet separately, periodically, with management, with the internal auditor (if any) and with the Company’s registered public accounting firm. The Committee may request any officer or employee of the Company, the Company’s outside counsel or its registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or any consultant to, the Committee.

Except as otherwise provided by the certificate of incorporation or bylaws of the Company, the frequency, location and operation of meetings, and similar procedural matters relating to the Committee will, to the extent applicable, be the same as those that relate to meetings of, and procedural matters concerning, the Board.

Engagement of and Funding for Advisors

The Committee is authorized to engage, and the Company will provide funding for, any independent counsel and other advisors as the Committee may deem necessary or advisable to assist the Committee in carrying out its duties. The Company will provide appropriate funding, as determined solely and directly by the Committee, for payment of compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Company also will provide appropriate funding, as determined by the Committee, for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

Committee Responsibilities and Duties

The primary responsibilities of the Committee are to select, appoint and ensure the independence of the Company's registered public accounting firm, oversee the Company's financial reporting process on behalf of the Board, oversee the effectiveness of internal controls over financial reporting, establish procedures for the receipt and treatment of complaints regarding accounting, internal accounting controls or auditing matters and report the results of its activities to the Board.
